

# Why Does the Wind (Michel Cleis Remix)

**Tracey Thorn**

Don't waste my time now  
Don't call me, "Baby"  
When you don't know if you love me  
If you're coming or going And don't leave the back door open  
And look for a way out  
And then say maybe you love me  
But there's no way of knowing Why does the wind blow  
Through my house at night?  
Why does the wind blow  
Through my heart each time  
I look into your eyes? Don't look for reasons  
Don't tear your heart out  
Wondering why the light starts fading  
When the day the is ending Embrace the seasons  
And get to believing that it's only  
Something broken  
That seems worthwhile mending Why does the wind blow  
Through my house at night?  
Why does the wind blow  
Through my heart each time  
I look into your eyes? Your heart is sore  
Like mine was before  
You look to the sky  
And no one cares why  
Not even the wind  
So where to begin And since we exist  
And why not just?  
Why not just?  
And why not just kiss?
