

# I Wonder Who

[Ray Charles](#)

You have loved lots of girls in the sweet long-ago  
And each has meant heaven to you  
You have vowed your affection to each one in turn  
And have sworn to them all you'd be true  
You have kissed 'neath the moon while the world seemed in tune  
Then you've left her to hunt a new game  
Does it ever occur to you later, my boy  
That she's probably doing the same?  
If you want to feel wretched and lonely and blue  
Just imagine the girl you love best  
In the arms of some fellow who's stealing a kiss  
From the lips that you once fondly pressed  
But the world moves apace and the loves of today  
Flit away with a smile and a tear  
So you can never tell who's kissing her now  
Or just whom you'll be kissing next year  
I wonder who's kissing her now  
I wonder who's teaching her how  
I wonder who's looking into her eyes  
Breathing sighs, telling lies  
I wonder who's buying the wine for lips  
That I used to call mine  
I wonder if she ever tells him of me  
I wonder who's kissing her now
