

Holding on the Edge (feat. Walk the Moon)

Wyclef Jean

(Wyclef Jean):

Invincible emotion

Look alive, look alive

Surrender to the ocean

You could dive, you could dive

But you waiting for the

Just waiting the

One moment you could

Fall but you might fly So you holding on the edge

For dear life

Take a dive, take a dive (dive) (Nicholas Petricca of Walk The Moon):
