Love Like A Hurricane

Kasey Chambers

Sweet hallelujah, I can just see the light
I can see it down in a hole
Crawl, baby crawl, we can do this together
Take my hand, take my heart and my soul

We gotta roll with the branches and laugh like a clown
Cry like the driving rain
Ask for forgiveness and drift like the wind
And love like a hurricane

Sweet hallelujah, I can just see the sign
I can see it from losing my way
Your words are all fading but the closer that I get
I can breathe in as clear as day

We gotta roll with the branches and laugh like a clown
Cry like the driving rain
Ask for forgiveness and drift like the wind
And love like a hurricane

We gotta roll with the branches and laugh like a clown
Cry like the driving rain
Ask for forgiveness and drift like the wind
And love like a hurricane
