

Hard Headed Woman

Elvis Presley

Well a hard headed woman
A soft hearted man
Been the cause of trouble
Ever since the world beganOh yeah, ever since the world began
A hard headed woman been
A thorn in the side of manAdam told to Eve
Listen here to me
Don't you let me catch you
Messin' round that apple treeOh yeah, ever since the world began
A hard headed woman been
A thorn in the side of manOh yeah, ever since the world began
A hard headed woman been
A thorn in the side of manSamson told Delilah
Loud and clear
I keep your cotton pickin' fingers
Out of my curly hairOh yeah, ever since the world began
A hard headed woman been
A thorn in the side of manI heard about a king
Who was doin' swell
Till he started playing
With that evil JezebelOh yeah, ever since the world began
A hard headed woman been
A thorn in the side of manI got a woman
A head like a rock
If she ever went away
I'd cry around the clockOh yeah, ever since the world began
A hard headed woman been
A thorn in the side of manA hard headed woman been
A thorn in the side of man
