The Ballad of Easy Rider

Kathryn Williams

The river flows, it flows to the sea
Wherever that river goes that's where I want to be
Flow river flow, let your waters wash down
Take me from this road to some other townAll he wanted was to be free
And that's the way it turned out to be
Flow river flow, let your waters wash down
Take me from this road to some other townFlow river flow, past the shady trees
Go river go, go to the sea
Flow to the sea, flow to the sea
Flow to the seaThe river flows, it flows to the sea
Wherever that river flows that's where I want to be
Flow river flow, let your waters wash down
Take me from this road to some other town
