

Stepping Stone

86 the Effort

Itâ€™s not a fault of my own
Sheâ€™s just a stepping stone like all the rest
It ainâ€™t no work of my way
Iâ€™m in for better days donâ€™t get depressed

When you go robbing a bank
I canâ€™t put down the drink â€™cause Iâ€™m a mess
I failed the quiz, Iâ€™ll pass the test

Down in a rut ainâ€™t a place for a boy
Whoâ€™s only amused by high tech toys
And a high class girl with her with her low class ploy
Her heart was broken once and now sheâ€™s ready to destroy

But Iâ€™ll be fine if I can use her â€™til it hurts
Cause pain equals satisfaction
It was kicked to the curb and disbursed
But finding out she was someone else, thatâ€™s the worst
I shouldâ€™ve seen it coming, but I wanted it to work

[Chorus]

Itâ€™s not a fault of my own
Sheâ€™s just a stepping stone like all the rest
It ainâ€™t no work of my way
Iâ€™m in for better days donâ€™t get depressed

When you go robbing a bank
I canâ€™t put down the drink â€™cause Iâ€™m a mess
I failed the quiz, Iâ€™ll pass the test

Donâ€™t give a damn about your situation
You said it was hard to leave him, what about me?
As long as youâ€™re concerned there are no complications
You act like this is easy, but Iâ€™m starting to agree

So when you find yourself alone
Donâ€™t make a move â€™cuz youâ€™re a stone
When you find yourself aware, Iâ€™m not there,
Youâ€™ll know, Youâ€™ll know, Youâ€™ll knowâ€™

[Chorus]

Itâ€™s not a fault of my own
Sheâ€™s just a stepping stone like all the rest
It ainâ€™t no work of my way
Iâ€™m in for better days donâ€™t get depressed

When you go robbing a bank
I canâ€™t put down the drink â€˜cause Iâ€™m a mess
I failed the quiz, Iâ€™ll pass the test

Oh yeah
Youâ€™re a stone
Youâ€™re just a stone
