

Somethin's Missing

Newsboys

Do you know who you're gonna be today?
Do you know know what part you're gonna play?
When you stare into the mirror, yeah
Empty eyes speak more words than I can say
Is somethin' missing in your life today?
Somethin's missing, missing, missing somethin's
Is somethin' missing in your life today?
Somethin's missing, missing, missing somethin's
You may say that all the world's a stage
Is the script for your role an empty page
Do your actions have a meaning? Yeah
Will they last or will they quickly fade away?
Is somethin' missing in your life today?
Somethin's missing, missing, missing somethin's
Is somethin' missing ion your life today?
Somethin's missing, missing, missing somethin's
