

# Goodbye!

## The Producers

Thanks for coming to see our show

Sad to tell you we got to go

Grab your hat and head for the door

In case you didn't notice, there ain't any more!If you like our show tell ev'ryone but  
If you think it stinks, keep your big mouth shut!We're glad you came but we have to shout  
Adios, au revoir, wiedersehen, ta-ta-ta  
Goodbye, get lost, get out!
