

# There Is a Light That Never Goes Out

## The Smiths

Take me out tonight  
Where there's music and there's people  
And they're young and alive  
Oh, driving in your car  
I never, never want to go home  
Because I haven't got one anymore

Take me out tonight  
Because I want to see people  
And I want to see life  
Mmm, driving in your car, oh, please don't drop me home  
Because it's not my home, it's their home  
And I'm welcome no more

And if a double-decker bus crashes into us  
To die by your side is such a heavenly way to die  
And if a ten-ton truck kills the both of us  
To die by your side, well, the pleasure and the privilege is mine

Take me out tonight  
Take me anywhere, I don't care, I don't care, I don't care  
And in the darkened underpass  
I thought "Oh God, my chance has come at last"  
But then a strange fear gripped me and I just couldn't ask

Take me out tonight  
Oh, take me anywhere, I don't care, I don't care, I don't care  
Driving in your car  
I never, never want to go home  
Because I haven't got one, la-di-dum, oh, I haven't got one  
Oh, oh

And if a double-decker bus crashes into us  
To die by your side is such a heavenly way to die  
And if a ten-ton truck kills the both of us  
To die by your side, well, the pleasure and the privilege is mine

Oh, there is a light and it never goes out  
There is a light and it never goes out  
There is a light and it never goes out

There is a light and it never goes out  
There is a light and it never goes out  
There is a light and it never goes out  
There is a light and it never goes out  
There is a light and it never goes out
