Bom Bom

Sam and the Womp

I'm the cat with the basin' drums, going 'round like Bom Bom Bom!Beati'm the cat with the basin' drums going 'round like
bom bom bomWhat's grooving? I'm moving. I like your style of Womping!
How charming! Just a rapper - load him up and eat that snapper!
I have 16 pints of rum and then I go Bom Bom!
Going up in the dark of the night and so I go ooh ah ah ah ah. I...
I've got a pie in my pocket, pie in my pocket, an eye in my socket.
Me got life, Me got style, Me got nothing on my mind.
I'm so cool, I'm so groovy, when I go Bom Bom Bom!
(Instrumental)
Going around like Bom Bom Bom!
(instrumental)
I'm so cool, I'm so groovy, when I go Bom Bom Bom!(instrumental)
I'm the guy with the basin' drums, going 'round like Bom Bom Bom!
