

# You Win Again

[Jean Shepard](#)

The news is out all over town  
That you've been seen out runnin' round  
I know that I should leave  
But then I just can't go, you win again  
This heart of mine could never see  
What everybody knew but me  
Just trusting you was my great sin  
What can I do, you win again I'm sorry for your victim now  
Cause soon her head like mine will bow  
She'll give her heart but all in vain  
And someday say you win again  
You have no heart, you have no shame  
You take true love and give the blame  
I guess that I should not complain  
I love you still, you win again
