Staind

I have seen
Too many sad eyes look at me
The eyes that set me free,
All the places that I've been. So thank you for the letters that
You thought you wrote in vain
And for the times you chose
To stand out in the rain
And wait for me
For me Your words, your words help me to see
A little honesty, in a world that doesn't share.
And your eyes tell the story of your pain
Severity of your disdain, in a world that doesn't care. You, you understand my pain,
From this I gather strength
In that we are the same.
