

# Jessica

## Regina Spektor

Jessica, wake up  
Jessica, wake up  
It's February again, we must get older, so wake up  
I can't write a song for you  
I'm out of melodies  
I can't write a song for you But I am asking please, Jessica, wake up  
Jessica wake up  
It's February again  
It's February again, we must get older, now, so please wake up  
We must get older now, so please wake up
