

Falls Away (Jack Savidge Remix)

Childhood

Won't listen for days when I stare at the night
Desperately aching for, for your throat
We ought to pull it back with fire, but we went opposite ways
No sound remains for you, girl Fall down, don't be on that
Stand tall, do it right You seem indifferent and still like the moon
Often confused 'cause you won't let me go
It falls so hard, it FALLS AWAY Dancing for nothing, chasing the moon
Fighting for feels, it won't let me go
We fall so hard, it FALLS AWAY
You listen always but you're caught in the mind
Desperately aging for, for my throat
When you're falling back, fire, we fought my own stage
No sound remains for you, boy
Fall down, don't be on that
Stand tall, do it right You seem indifferent and still like the moon
Often confused 'cause you won't let me go
It falls so hard, it FALLS AWAY Dancing for nothing, chasing the moon
Fighting for feels, it won't let me go
We fall so hard, it FALLS AWAY You seem indifferent and still like the moon
Often confused 'cause you won't let me go
It falls so hard, it FALLS AWAY
Dancing for nothing, chasing the moon
Fighting for feels, it won't let me go
We fall so hard, it FALLS AWAY Fading, it all falls
Feelings and all
