

# Flyin' High

## Zz Top

(Come on, come on)  
Well, she likes the truck  
I guess i'm in luck  
She wears high heel cowboy boots  
She'll slam a shot  
Whatever you got  
She walks the line, makes no excuse  
Fly high  
I'm never satisfied  
Fly high  
I'm takin one last ride  
Fly high  
I'm bone dry and i'm waiting to die  
Gly high  
Dont you know its hard to signify  
She likes to smoke  
And she likes to toke  
Ask her no questions and she won't have to lie.  
She likes to charge

Long as it's large  
Make no mistake she got the evil eye  
Fly high  
I'm never stisfied  
Fly high  
I'm takin one last ride  
Fly high  
I'm bone dry and i'm waiting to die  
Fly high  
Don't know you its hard to signify  
(solo)  
Fly high  
I'm never satisfied  
Fly high  
I'm takin one last ride  
Fly high  
Jimi said I'm gonna kiss the sky  
Fly high  
We're bad, bad, bad, we're nationwide
