

Hallelujah To The Lamb

[Don Moen](#)

Lord I stand in the midst of the multitude
of those from every tribe and tongue, we are your people
redeemed by your blood, rescued from death by your love
There are no words good enough to thank you
There are no words to restrain my plan
But I lift up my voice and sing from my heart with all of my strengt

Chorus:

Hallelujah!hallelujah!hallelujah to the lamb
Hallelujah!hallelujah by the blood of Christ we stand
Every tongue, every tribe, every people, every land
Giving glory, giving honor, giving praise unto the lamb of God

Bridge:

Every knee shall bow, every tongue confess that
You are Lord af all!
Jesus Christ the lamb ofr God!
