Snowblind (Ft. Tasha Baxter)

Au5

I'm running away from the past I left behind
I'm looking for answers but I'm blinded by the light
I'm lost in the music, can I stay here for the night?
I promise I'll be gone in the morning
Out of sight and out of mindSnowblind
Out of sight and out of mind
Snowblind
Out of sight and out of mindJust for tonight, let your thoughts be free
Just for tonight, won't you come with me?
Just for tonight, let the lines get blurred
Just for tonightSnowblind
Out of sight and out of mind
Just for tonight, come with me blindlyYou know when you keep running but your legs are standing still?
It's like you're stuck in a nightmare but you keep doing it for the thrillWell, this is reality
You only live it once
So wake up from your dream
But just for tonight, let the lines get blurred
Let your thoughts be free
Let your thoughts be freeJust for tonight, let your thoughts be free
Just for tonight, won't you come with me?
Just for tonight, let the lines get blurred
Just for tonightSnowblind
Out of sight and out of mind
Snowblind
Out of sight and out of mind
