

# Snowblind (Ft. Tasha Baxter)

## Au5

I'm running away from the past I left behind  
I'm looking for answers but I'm blinded by the light  
I'm lost in the music, can I stay here for the night?  
I promise I'll be gone in the morning  
Out of sight and out of mindSnowblind  
Out of sight and out of mind  
Snowblind  
Out of sight and out of mindJust for tonight, let your thoughts be free  
Just for tonight, won't you come with me?  
Just for tonight, let the lines get blurred  
Just for tonightSnowblind  
Out of sight and out of mind  
Just for tonight, come with me blindlyYou know when you keep running but your legs are standing still?  
It's like you're stuck in a nightmare but you keep doing it for the thrillWell, this is reality  
You only live it once  
So wake up from your dream  
But just for tonight, let the lines get blurred  
Let your thoughts be free  
Let your thoughts be freeJust for tonight, let your thoughts be free  
Just for tonight, won't you come with me?  
Just for tonight, let the lines get blurred  
Just for tonightSnowblind  
Out of sight and out of mind  
Snowblind  
Out of sight and out of mind
