[Don't Fear] The Reaper

HIM

All our times have come
Here but now they're gone
The seasons don't fear the reaper
Nor do the wind, the sun or the rain
Oh, we can be like they areCome on baby
Don't fear the reaper
Baby, take my hand
Don't fear the reaperWe'll be able to fly
Don't fear the reaper
Baby, I'm your manValentine is done
Here but now they're gone
Romeo and Juliet are together in eternity
Romeo and Juliet40,000 men and women everyday
Like Romeo and Juliet
40,000 men and women everyday
Redefine happinessAnother 40,000 coming everyday
Ah, we can be like they areCome on baby
Don't fear the reaper
Baby, take my hand
Don't fear the reaperWe'll be able to fly
Don't fear the reaper
Baby, I'm your manLove of two is one
Here but now they're gone
The last night of sadness
It's clear that we couldn't go onThe door was open and the wind appeared
The candles blew and then disappeared
Curtains flew and then he appeared
Saying, don't be afraidCome on baby
And we had no fear
And she ran to him
Then we started to flyThey looked backward and said goodbye
We had become like they are
We had taken his hand
We had become like they areCome on baby
Don't fear the reaper
Don't fear the reaper
Don't fear the reaperDon't fear the reaper
Don't fear the reaper
Don't fear the reaperWe had become like they are

Like Romeo and Juliet
We had become like they are
Like Romeo and JulietWe had become like they are
Like Romeo and Juliet
We had become like they are
Like Romeo and Juliet
