

# Chance of a Lifetime

Brooks & Dunn

I came staggerin' in, in the middle of the night  
I got my alibi sewed up nice and tight  
Cracked the bedroom door, I tried to keep it from squeakin'  
Cause I know there's a wildcat in there sleepin'  
But the, the light was on and the bed was made  
And there's a dear John written on a pillow case[Chorus]  
She said, I've gone to the Bahamas, I've had it with the drama  
Time to get out of town, I'm just slowin' you down  
She said, I found somebody that likes the things that you used to  
Yeah, and he's got a lot of money, we're goin' where it's sunny  
And baby, he's a looker too  
She said, it was a chance of a lifetime what was I supposed to do Oh yeah, I woke up this mornin' in a terrible  
mess  
I had the telephone ringin' and her cat on my chest  
I'm wipin' the sleep out of my bloodshot eyes  
Oh, it's gotta be her callin' to apologize  
She must be feelin' bad 'cause she done me wrong  
Then I, I pushed the button on a Code-A-Phone[Chorus] Oh, and I got the stereo and she got the music  
Yeah, and I got this washer but I don't know how to use it She's gone to the Bahamas, had it with the drama  
Time to get out of town, I'm just slowin' you down  
She said, I found somebody that likes the things that you used to Yeah, she said, he's got a lot of money, we're  
goin' where it's sunny  
And baby, he's a looker too  
She said, it was a chance of a lifetime what was I supposed to do  
Oh yeah, it was a chance of a lifetime what was I supposed to do Maybe you can come get this cat
