Jackin' Man

Genitorturers

Masturbating in your bedroom.
Spilling seed I see your pin.
Take your {a} bite and come inside.
I know your pain {is} far from insane.
chorus
Jack! Jack! Oh baby come in me.
Jack me! Smack me!
Bend me over...In my {your} face.
I need the harder way;
{That you} take my body for your own play.
Torch my soul, fill it how you wish.
To see you bleed is my {what I} need.
chorus
When I'm there you're jacking everywhere.
Can't you see it's what I want.
Say a prayer for jackin' while I beat you.
It's right in my...
[some sample]
Jack (x3)
Oh yeah
Jack (x4)
Master's play, is jackin' every day.
And when he's cumming it's what I want.
Your swollen vein jacks away the pain.
It's right in my...
Right there...
Masturbating in your bedroom.
Spilling seed I see your pin.
Take your {a} bite and come inside.
I know your pain.
Mmmmmm...My jackin' man...
