

Suddenly Single

Waylon Jennings

This place is too damn lonesome I think I'll change and go out for a while
On second thought where could I go with a closet full of clothes that's out of style
It's another night of TV or another night of nothin' on my hands
I gotta change my way of thinkin' 'cause I'm still thinkin' like a married man[Chorus]

Suddenly single

It's hard to break old habits for the bad

If I wasn't over thirty

I might just move back in with mom and dad I should call on some old flame, oh that ain't as easy as it sounds

My body says I need someone but I heart ain't ready for someone right now

Maybe in the mornin' I'll wake up and see the light

Small consolation Lord for the way I feel tonight[Chorus]
