

# System 11:11

## Powerman 5000

There's a system to the system  
I don't fit in the system  
Oh yeah, go but don't expect me to miss you  
Trying to find a hole in the bottom  
Of the soulless  
Thinkin' about the world from the edge  
You can't control this  
Now what the fuck are you?  
Some kind of half assed astronaut  
Now just a moment please I must insist that you stop  
Just a moment please I must insist that you
