Copenhagen

Robert Earl Keen

Now I went out last Sunday with my little Mary Anne
She said, "Please stay 'till Monday" and she grabbed me by the can
She laid a big one on me, surprised me with her tongue
But her surprise was waitin' there between my cheek and gumCopenhagen, what a wad of flavor
Copenhagen, you can see it in my smile

Copenhagen, do yourself a favor, chew Copenhagen, drivin' pretty girls wildSo I went to the movies with my little Peggy Sue

I had my dip there in my lip just like I always do

She didn't know I was spittin' in my Coca Cola cup

She took a great big swaller and then threw her popcorn up, whoaCopenhagen, what a wad of flavor

Copenhagen, you can see it in my smile

Copenhagen, do yourself a favor, chew

Copenhagen, drivin' pretty girls wildThe moral of this story is so very sad but true

If you stay 'till breakfast friend, they'll wanna marry you

So try my little method and I promise you no doubt

Dip some Copenhagen if you wanna snuff 'em outCopenhagen, what a wad of flavor

Copenhagen, you can see it in my smile

Copenhagen, do yourself a favor, chew

Copenhagen, drivin' pretty girls wild

Copenhagen, drivin' pretty girls wild
