Maranatha

Reyer

Who are we without You?
Where else could we go?
There's no other we could turn to
For all is found in You alone

No other name to call on
Than the name of Christ
There's no other voice to follow
For only You speak words of life

With arms lifted, our eyes upon You
We cry out to heaven
With hearts burning for the one God we pursue
Let this be our anthem

Maranatha, Lord let your glory fall
Maranatha, Your fire fill us all
Maranatha, Lord Jesus come
Maranatha, Our King is coming soon
Maranatha, And we will wait for you
Maranatha, Lord Jesus come

No other name to call on
Than the name of Christ
There's no other voice to follow
For only You speak words of life

With arms lifted, our eyes upon You
We cry out to heaven
With hearts burning for the one God we pursue
Let this be our anthem

Maranatha, Lord let your glory fall

Maranatha, Your fire fill us all
Maranatha, Lord Jesus come
Maranatha, Our King is coming soon
Maranatha, And we will wait for you
Maranatha, Lord Jesus come

Lord Jesus come, Lord Jesus come, Lord Jesus come

Heaven is what we long for
Heaven is what we seek
Your presence in this place, let it come, let it come Lord
Heaven is what we long for
You are all we need
Your kingdom on this earth, let it come,let it come Lord

Maranatha, Lord let your glory fall
Maranatha, Your fire fill us all
Maranatha, Lord Jesus come
Maranatha, Our King is coming soon
Maranatha, And we will wait for you
Maranatha, Lord Jesus come
