

Perfect Christmas

S Club 7

Doo, doo, doo
Doo, doo, doo
Doo, doo, doo Hello friend, it's me again, I just called to tell you
Even though I miss you so, I've been thinking of you
All my dreams are coming true, at last The perfect ending to a wonderful year
Will be to celebrate the good times with you here
'Cuz, I know for sure, I never wanted anything more The greatest gift that there could be
Wrapped underneath my Christmas tree
Would be the same my whole life through
I'd spend the perfect Christmas with you Though the winter seems so long
My faith in love has kept me strong
So if I had a wish come true
I'd spend the perfect Christmas with you I can't wait till the day when I finally see you
So hold on, I won't be long, got so much to show you
All our dreams are coming true at last The perfect ending to a wonderful year
Would be to celebrate the good times with you here
'Cuz, I know for sure, I never wanted anything more The greatest gift that there could be
Wrapped underneath my Christmas tree
Would be the same my whole life through
I'd spend the perfect Christmas with you So when you ask me what I mean
To me the Christmas is complete
Boy, can't you see, you're the one thing missing for me The greatest gift that there could be
Wrapped underneath my Christmas tree
Would be the same my whole life through
I'd spend the perfect Christmas with you Though the winter seems so long
My faith in love has kept me strong
So if I had a wish come true
I'd spend the perfect Christmas And if I had one wish come true
I'd spend the perfect Christmas here with you Doo doo doo
Doo doo doo
Doo doo doo
