No Time For Tears

Jo Dee Messina

I gave you everything I had
Oh, but it wasn't enough
It don't seem right to hurt so bad
When all you're giving is love
You wouldn't let me love you
You're just too hard to hold
I've gotta break the chains that bind me
So I'm gonna take a cab, take a train
Maybe a limousine anything to get me out of here
Ain't no way around it, oh, no doubt about it
One thing is clear, oh, there's no time for tears, oh no
A wall too steep, too high to climb
Is protecting your heart
I tried to break through time after time
Oh, but it keeps us apart
I've cried enough to know that
It's killing me to stay
I'd rather be alone
Than hurt this way
Gonna take a cab, take a train
Maybe a limousine anything to get me out of here
Ain't no way around it, oh, no doubt about it
One thing is clear, oh, there's no time for tears
The time has come
To move ahead
And find what waits for me
Ooh, whoa, whoa
Gonna take a cab, take a train
Maybe a limousine anything to get me out of here
Ain't no way around it, oh, no doubt about it
One thing is clear, oh, there's no time for
No time for, no time for, there's no time for tears, oh no
No time for tears, yeah
No time for, no time for tears
No time for tears, no time for tears
No time for tears
Oh, no, no, no, oh
