Sophisticated Lady

Gregory Hines

I got this feeling baby,
Inside it's driving me crazy
I just don't know what to do
Why don't you get this started
Body language so inviting
There ain't nothin that we won't do
Ohhh... Sophisticated lady
Come and get my loving
Never get enough of the push and shoving
Ohh... Sophisticated lady
Changed my name from the B to the G
so my hubby can get with me
I know that we can make it
Never ever gonna get it on I'm freakin
That style don't suite me or you
There are so many reason
Why our love is so in season
Thoughts like this keep me straight with you
Ohhh... Sophisticated lady
Come and get my loving
Never get enough of the push and shoving
Ohh... Sophisticated lady
Changed my name from the B to the G

so my hubby can get with me
Ohh.. Sophisticated Lady
Have we got sound?
Hey yo Mel you ride this beat so well
Late at night lacing tracks past the midnight bell
But we don't sweat it though cause the three of us are strong
With the energy you give babe we can't go wrong
Paris was a city in the heat of the summer time
When J took the heart of a friend of mine
Then you gave rings and the vows were done
And you'll always be together 'cause 2 become 1
Ohhh... Sophisticated lady
Come and get my loving
Never get enough of the push and shoving
Ohh... Sophisticated lady

Changed my name from the B to the G
so my hubby can get with me
Ohhh... Sophisticated lady
Come and get my loving
Never get enough of the push and shovin
Ohh... Sophisticated lady
Changed my name from the B to the G
so my hubby can get with me
