

True Colors (featuring Anna Kendrick) ('16may11)

Justin Timberlake

You with the sad eyes
Don't be discouraged, oh I realize
It's hard to take courage
In a world full of people
You can lose sight of it all
The darkness inside you
Can make you feel so small Show me a smile then
Don't be unhappy
Can't remember when
I last saw you laughing
This world makes you crazy
And you've taken all you can bear
Just, call me up
'Cause I will always be there And I see your true colors
Shining through
I see your true colors
And that's why I love you So don't be afraid to let them show
Your true colors
True colors are beautiful
I see your true colors
Shining through (true colors)
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful
Like a rainbow
Ooh ooh ooh like a rainbow Ooh can't remember when
I last saw you laughing
Ooh oh oh
This world makes you crazy
Taking all you can bear
Just, call me up
'Cause I'll be always be there And I see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid (don't be afraid)
To let them show

Your true colors
True colors are beautiful
Like a rainbow
Ooh ooh oh like a rainbow
