Queen Bee

Devendra Banhart

Well, I do like a certain girl She moves like a dancing dream I saw everything I've seen And I meant everything I meanOh, Queen Bee I'm always happy and free Oh, Queen Bee Land by me, by meShe's kissed everyone I've kissed She's missed everyone I've missed And her guess is always as good as mine I'm blessed, she treats me so damn kindShe's grown every seed I've grown She's known everything I've known And my dreams they always coincide And our bows always firmly tiedOh, Queen Bee I'm always happy to see you Oh, Queen Bee Sting me, sting me Sting me
