

# Shine On Me (feat. Jussie Smollett & Brez)

## Empire Cast

Ouh... Is merciless the grind, sometimes we turn to crime, but the sun will always  
shine yeah...

Is merciless the grind, sometimes we turn to crime, but the sun will always shine  
yeah...Oooooo, Oooooo

Oh father father, can you hear? Can you hear your children cryin'?

Can you see their tears, mm, yeah  
To feed the ones you hold so dear

Somebody dyin' ain't all that severe, story of my life, right? eh

Look at me, really look at me  
Heart of a champion, Eyes that have seen  
Murder on my street, Death on my block  
Cops that beat more, Criminals than cop  
Daddy a king pimp, Mamma a hustler  
Would am I gonna be? Who is it up to?  
Me, who just me? Doing it my way  
Till I see sunrays

The sun will always shine, sun will always shine  
Sun will always shine, sun will always shine on me  
So even if it's crime, Taking care of mine  
So the sun will always shine on me, shine on me  
I said one shot, two shot, three shot, four  
Daddy I can't take no more

I'm sick of watching windows, 'fore I walk out the door  
I know that's not what I'm here for  
It's a brighter day, this boss sit with the Lord  
He knows my story, I'ma tell it all and live large  
Before I'm forty, Frank Gathers

This your daughter, everybody know it, I can light this here split, bet everybody blow it  
The impact I did that, I'ma take this and sit back  
And watch the chips stack, you dig that

We started from the bottom, you gotta know the sun is always shining  
The sun will always shine, sun will always shine  
Sun will always shine on me  
So even if it's crime, Taking care of mine,  
So the sun will always shine on me  
Shine on me

Sunshine sunshine, sun will always shine on me Some merciless the grind, sometimes  
you turn to crime  
But you gotta keep your head up

Don't look down, don't ever give up  
The sun gonna shine, through any weather So even if it's crime, I'm taking care of  
mine,  
So the sun will always shine on me, shine on me  
Sun will always shine, sun will always shine  
Sun will always shine on me  
So even if it's crime, I'm taking care of mine,  
So the sun will always shine on me  
Shine on me
