

Do Ya

McFly

Do ya, do ya, do ya love me?
Do ya need a little time?
Do ya, do ya, do ya want me?
Oh, to hold you when you cry Do ya, do ya, do ya, do ya love me?
Don't wanna here you say maybe
Won't you tell me do you love me 'cause I wanna know? I'm making a list of the things that I miss
Whenever we're far apart
The way that you kiss, the taste of your lips
I'm telling you from the heart
'Cause baby I just wanna know Do ya, do ya, do ya, do ya love me?
(Do ya love me 'cause I wanna know?)
Do ya feel it in your bones?
(Do ya love me 'cause I wanna know?)
Do ya, do ya dream about me?
(Do ya love me 'cause I wanna know?)
Oh, when you're sleeping on your own
(Do ya love me 'cause I wanna know?) Do ya, do ya, do ya, do ya love me?
(Do ya love me 'cause I wanna know?)
Don't wanna here you say maybe
(Do ya love me 'cause I wanna know?)
Won't you tell me do you love me 'cause I wanna know, yeah? I'm making a list of the things that I miss
Whenever we're far apart
The way that you kiss, the taste of your lips
I'm telling you from the heart
'Cause baby I just wanna know Do ya, do ya, do ya love me?
(Do ya love me 'cause I wanna know?)
Do ya need a little time?
(Do ya love me 'cause I wanna know?)
Do ya, do ya, do ya want me?
(Do ya love me 'cause I wanna know?)
Oh, to hold you when you cry
(Do ya love me 'cause I wanna know?) Do ya, do ya, do ya, do ya love me?
(Do ya love me 'cause I wanna know?)
Don't wanna here you say maybe
(Do ya love me 'cause I wanna know?)
Won't you tell me do you love me 'cause I wanna know, yeah? I'm making a list of the things that I miss
Whenever we're far apart
The way that you kiss, the taste of your lips
I'm telling you from the heart

'Cause baby I just wanna know Do ya, do ya, do ya, do ya love me?
(Do ya love me 'cause I wanna know?)
Show me do you love me?
(Do ya love me 'cause I wanna know?)
Show that ya love me 'cause I wanna know
(Do ya love me 'cause I wanna know?)
(Do ya love me 'cause I wanna know?) Do ya, do ya, do ya, do ya love me?
(Do ya love me 'cause I wanna know?)
Don't wanna here you say maybe
(Do ya love me 'cause I wanna know?)
Won't you tell me, do you love me? Do you really love me?
So tell me do ya, do ya, do ya, do ya love me 'cause I wanna know? Do ya love me 'cause I wanna know?
Do ya love me 'cause I wanna know?
