Ian:

My name is ian underwood

And I am straight member of the group

(wowie zowie)

One month ago I heard the mothers of invention at the theater

I heard them on two occasions

And at the second occasion

I went up to jim black

And I said I like your music,

I'd like to come down to play with you.

Two days later I came up to the recording session

And frank zappa was sitting at the control room

I walk up and said

How'd you do, my name is ian underwood and I like you music

And I like to play with your group.

Frank zappa says

What can you do is fantastic

I say I can play alto saxophone and piano

And he said

All right, whip it out....
