# Treasure

## The Morning Birds

That night I felt like I'd become something treasured, different
Can I tell you a story as we dance while the sun starts to bleed?
Song of songs, love is calling, daughter wake up from your sleep
Refined, I'll become the most dazzling precious treasure
I'll be treasured over all the earth
Bearing the gift of a new heart
Patience ablaze I'm slowly burning
Refined, I'll become the most dazzling precious treasure
I'll be treasured over all the earth
Refined, I'll become the most dazzling precious treasure
I'll be treasured over all the earth
I am in awe and in shock, I'm in love and given away
I'm reserved with these words
Can I tell you a story as we dance while the sun starts to bleed?
Trees rejoice with the wind here, hallelujah Yeshua
Tonight I've become the most dazzling precious
I am treasured over all the earth
Just look at what He's done, how He's laying down His life
Take this life, oh, most dazzling precious treasure
Tonight I've become the most dazzling precious treasure
I am treasure over all the earth
