Photographs

Zebrahead

I am alive, I am awake
Not like I'm not aware
I just don't care
I am alone, You are the same
Not like I'm not aware
I just don't care
So if you wanna lie
If you wanna lie with me
Come on baby pull up your dress
Let me see you
If you wanna play
If you wanna smile aand leave
Well don't worry baby I'm ok I'm ok...
I feel this weight fall from my shoulders
All the plans we used to make
And all the lines we had to fake
Now I throw it all away
How easy we forget what happened
Arguments are said and done
The smiles erased from battles won
Photographs remind me I can
Look in to the past but I won't stare
I am inspired you are to blame
Not like you're not aware
You just don't care
You are a liar this is all fake
Not like you're not aware
You just don't care
So if you wanna tread
If you wanna tread on me
You'll walk in a fight
I'll make it slippery

Or if you wanna Shout (Yeah)
If you wanna make a scene
Don't worry baby I'm ok I'm ok...
I feel this weight fall from my shoulders
All the plans we used to make
And all the lines we had to fake

Now I throw it all away
How easy we forget what happened
Arguments are said and done
The miles erased from battles won
Photographs remind me I can
Look in to the past but I won't stare
I am alive, I am awake
not like you're not aware
I just don't care
I am alone you are the same
Not like I'm not aware
I just doooooooooooon't
And I feel this weight fall from my shoulders
Feel my past just makes me stronger
All the plans we used to make
And all the lines we had to fake
Now I've thrown it all away
How easy we forget what happened
Arguments are said and done
Smiles erased from battles won
Photographs remind me I can
Look in to the past but I won't stare
Stare, stare, stare, stare, stare, stare, stare
I won't stare!!
Stare, stare, stare, stare, stare, stare, STARE!!!!!!
