## Ole

## **Untergangskommando**

I'mma I'mma I'mma a little loca for you Lemme lemme show you the way that we do When I, when I hear the roar from the crowd I like like it loud, I like it!

My name is ADELEN
From Rio to Berlin
Let me see some hands in the air!!

One more time turn up the MUSIC and look to the SKY
This is the moment, the time of your LIFE
Pick up your glasses, and raise them up high, high high

Everybody!

Na na na na na na

Oooo ooo ooole!

Na na na na na na

Oooo ooo ooole!

Come on, come on let me see what you've got Bring the fire baby, I like it hot When I, when I see the way that you move I like what you do, I like it!

My name is ADELEN From Rio to Berlin

Let me see some hands in the air!!

One more time turn up the MUSIC and look to the SKY
This is the moment, the time of your LIFE

Pick up your glasses, and raise them up high, high high,

Everybody!

Na na na na na na Oooo ooo ooole! Ole! Ole!

Na na na na na na

Oooo ooo ooole! Ole! Ole!

Take my love, learn my life Light me up, up all night Night is ours, ours to keep Keep me! Ole! Ole! Ole! Ole!

## Ole! Ole! Ole! Ole!

One more time!!!

One more time turn up the MUSIC and look to the SKY
This is the moment, the time of your LIFE
Pick up your glasses, and raise them up high, high high,
Now everybody!
Na na na na na
Oooo ooo ooole! Ole! Ole!
Na na na na na
Oooo ooo ooole! Ole! Ole!
