Can I Have This Dance

Lomax

Take my hand, take a breath
Pull me close and take one step
Keep your eyes locked on mine,
And let the music be your guide.

Won't you promise me (now won't you promise me, that you'll never forget)
We'll keep dancing (to keep dancing) wherever we go next

(chorus)
It's like catching lightning the chances of finding someone like you
It's one in a million, the chances of feeling the way we do
And with every step together, we just keep on getting better
So can I have this dance (can I have this dance)
Can I have this dance

Take my hand, I'll take the lead
And every turn will be safe with me
Don't be afraid, afraid to fall
You know I'll catch you threw it all

And you can't keep us apart (even a thousand miles, can't keep us apart)
'Cause my heart is (cause my heart is) wherever you are

(chorus)
It's like catching lightning the chances of finding someone like you
It's one in a million, the chances of feeling the way we do
And with every step together, we just keep on getting better
So can I have this dance (can I have this dance)
Can I have this dance

Oh no mountains too high enough, oceans too wide
'Cause together or not, our dance won't stop
Let it rain, let it pour
What we have is worth fighting for
You know I believe, that we were meant to be

(chorus)
It's like catching lightning the chances of finding someone like you (like you)
It's one in a million, the chances of feeling the way we do (way we do)
And with every step together, we just keep on getting better

So can I have this dance (can I have this dance)
Can I have this dance

Can I have this dance
Can I have this dance
