One Last Goodbye

Anathema

How I needed you How I grieve now, you're gone In my dreams I see you I'm awake, so aloneI know you didn't want to leave Your heart yearned to stay But the strength I always loved in you Finally gave waySomehow I knew you would leave me this way And somehow I knew you could never, never stay And in the early morning light after a silent peaceful night You took my heart away and I grieveIn my dreams I can see you I can tell you how I feel In my dreams I can hold you And it feels so realI still feel the pain I still feel your love I still feel the pain I still feel your loveAnd somehow I knew you could never, never stay And somehow I knew you would leave me And in the early morning light after a silent peaceful night
