The idiot bastard son  
(the father's a nazi in congress today  
The mother's a hooker somewhere in l.a.)  
The idiot bastard son  
(abandoned to perish in back of a car  
Kenny will stash him away in a jar)

The idiot boy!  
(all the time he would spend at the church he'd attend...  
Warming his pew)  
Kenny will feed him & ronnie will watch  
The child will thrive & grow  
And enter the world  
Of liars & cheaters & people like you  
Who smile & think you know  
What this is about  
(you think you know everything... maybe so)  
The song we sing, do you know?  
We're listening...  
The idiot boy!  
(all the time he would spend all the colors he'd blend...  
Where are they now? )
