Superfriends

Zhu

Now ain't no one perfect that we on earth with
But why buy if it ain't worth it?
Girls that's worthless I can't purchase
I'll be single 'til Supergirl surfaces
With a bottom rounder than the earth is
Perky on top, soft as a nerf is
? and get a group of 10's
Girl we could be superfriends, ha
Girl we could be superfriends, haOoh baby baby baby
We can be superfriends
Ooh baby baby baby
We can be superfriends
Ooh baby baby baby
We can be superfriends
Ooh baby baby baby
We can be superfriendsYou get wiped out instead of getting wifed up
But we could cut if you're trying to get knifed up
You get wiped out instead of getting wifed up
But we could cut if you're trying to get knifed upOoh baby baby baby
We can be superfriends
Ooh baby baby baby
We can be superfriends
Ooh baby baby baby
We can be superfriends
Ooh baby baby baby
We can be superfriendsLet me scoop ya
I'll make you super
Bentley Coupe ya
Or Mini-Cooper
High rise duplex
No more stoop ups
I could suit ya to be a better hooper
You want ?
Hit both balls
If one slips don't need to let both fall
Like a good dunk I get a group of 10's
Girl we could be superfriends, ha
Girl we could be superfriends, haOoh baby baby baby
We can be superfriends

Ooh baby baby baby
We can be superfriends
Ooh baby baby baby
We can be superfriends
Ooh baby baby baby
We can be superfriends
