

# There's A Small Hotel

**Dave Garroway**

I'd like to get away, Junior  
Somewhere alone with you  
It could be oh, so gay, Junior  
    You need a laugh  
    Or two

A certain place I know, Frankie  
Where funny people can have fun  
    That's where the two will go,  
    Darling

Before you can count up  
    One, two, three.  
For there's a small hotel  
    With a wishing well

I wish that we were there together  
    There's a bridal suite  
    One room bright and neat  
    Complete for us to  
    Share together

Looking through the window  
You can see a distant steeple  
    Not a sign of people who  
    Wants people?  
When the steeple bell says,  
    "Good night, sleep well,"  
We'll thank the small hotel  
    Together

We'll creep into our little shell  
And we will thank the small hotel together
