# Doctor Online (Rico remix)

## Zeromancer

Everbody online ?
It's the beginning of the end
You want things to go faster
It's the beginning of the end
Now everything's too slow for you
It's the beginning of the end
You are one step closer
It's the beginning of the end
Say amen
1-800-SUICIDE
Or maybe Doctor Online could help you die
You need wings to fly
You need someone
To take your place
When you are gone
Is the beginning of the end
You know nothing last forever
A beginning of a trend
You need someone there to care for you
Is the beginning of the end
I don't think you understand
Just a beginning of a flat line
Together
1-800-SUICIDE
Or maybe Doctor Online could help you die
You need wings to fly
You need someone
To take your place
When you are gone
1-800-SUICIDE
Or maybe Doctor Online could help you die
You need wings to fly
You need someone
To take your place
When you are gone
Thank you for calling 1-800-SUICIDE
