## Montell Jordan

### Intro

This song goes out to anyone out there  
Who has been fighting temptation?Verse I

The ice was so thin  
Where I was skating  
I heard you calling me and  
I kept procrastinating  
Does anybody out there  
Know what I'm saying  
Do you hear God's voice?  
And keep him waitingPre-chorus

When everything  
I ever needed  
I can't believe that  
You provided, the moment I saidChorus

Yes, that's what you said  
That's what you told me  
You called my name  
I said yes  
Yes to your will

You know what's best for me  
All of my life I'll say yesVerse II

It was me, myself and I  
And I admit it  
But the truth is  
Without you Lord  
I can forget it  
I'm so thankful (thankful)

For the love you gave me (you gave me)  
Guess I'll never know (never know)

Why you forgave mePre-chorus

When everything  
I ever neededI can't believe that  
You provided, the moment I saidChorusBridge
