## T. Rex

If I could have grown  
All upon my own  
If I could have grown  
I grew  
If I could have grew  
I doIf I had a throne  
You could call it home  
If I cry my tears are yours  
To open any frozen doorsHey let's do it like we're friends  
Let's do it do it  
Hey let's do it like we're friends.
