

Damn I'm in Love Again

Mr. Big

I never live my life afraid
I don't regret mistakes I made
But suddenly I'm in this other place
It doesn't matter what I do
My happiness is tied to you
And I can't go back
Everything has changed Oh oh oh, I can't believe I landed in this mess
And if you ask me now, oh baby, I say yes
And if you need a perfect man I do my best Damn I'm in love again
Do do do do do
Damn I'm in love again
I wake up in the morning light
I feel so high like I could fly
I used to keep that one foot on the ground
But you came in like a heart attack
And I'd chase you to the moon and back
No safety net was never coming down Oh oh oh, I can't believe I landed in this mess
And if you ask me now, oh baby, I say hell yes
And if you need a perfect man I do my best Damn I'm in love again
Do do do do do
Damn I'm in love again, yeah yeah
I'm in love, in love, in love, I'm in love again
Do do do do do
Do do do do do
I'm in love again
I want the world to know
That I love you so
And I'm lucky to be stranded in this mess
And if I ask you now, oh babe, will you say yes
'Cause if you need a perfect man I do my best Damn I'm in love again
Do do do do do
Do do do do do
Damn I'm in love, love again
Do do do do do
Baby, I'm in love again
I'm in love, oh oh
I'm in love again
