Laid to Rest

Xibalba

If there was
A single day I could live
A single breath I could take
I'd trade all the others awayThe blood's on the wall
So you might as well just admit it
And bleach out the stains
Commit to forgetting it
You're better off empty and blank
Than left with a single pathetic trace of thisSmother another failure
Lay this to restConsole yourself
You're better alone
Destroy yourself
See who gives a fuckAbsorb yourself
You're better alone
Destroy yourselfI'll chain you to the truth
For the truth shall set you free
I'll turn the screws of vengeance
And bury you with honesty
I'll make all your dreams come to life
And slay them as quickly as they cameSmother another failure
Lay this to restConsole yourself
You're better alone
Destroy yourself
See who gives a fuckAbsorb yourself
You're better alone
Destroy yourselfSee who gives a fuck
See who gives a fuck
See who gives a fuckFailureIf there was a day I could live
If there was a single breath I could take
I'd trade all the others away
I'd trade all the others away
