

Breakfast At Tiffany's (Club Mix)

Jackie 'O'

night
You'll say that we've got nothing in common
No common ground to start from
And we're falling apart
You'll say the world has come between us
Our lives have come between us
Still I know you just don't care
I see you - the only one who knew me
And now your eyes see through me
I guess I was wrong
So what now? It's plain to see we're over,
And I hate when things are over
When so much is left undone
And I said what about "Breakfast at Tiffany's?"
She said, "I think I remember the film,
And as I recall, I think, we both kinda liked it."
And I said, "Well, that's the one thing we've got."
