

Day In, Day Out

Ella Fitzgerald

Day in, day out
That same old voodoo follows me about
That same old pounding in my heart, whenever I think of you
And darling, I think of you, day in and day out
Day out, day in
I needn't tell you how my days begin
When I awake I get up with a tingle, one possibility in view
That possibility of maybe seeing you
Come rain, come shine
I meet you and to me the day is fine
Then I kiss your lips and the pounding becomes
The oceans roar, a thousand drums
Can't you see it's love
Can there be any doubt
When there it is
Day in and day out
I'm gonna love you like nobody's loved you, come rain or come shine
I meet you and to me the day is fine
Then I kiss your lips and the pounding becomes
The oceans roar, a thousand drums
Can't you see it's love
Can there be any doubt
When there it is
There it is, day in, day out
There it is, day in
There it is, there it is
There, there, there it is
There it is, there it is
Day out
