

Attention

Avant

Yeah

Attention attention

It's ya boy big Snoop doggNephewLike a flame in the dark

Girl you light up the room

No matter what's going all around it

I'm only into you

You're lips never moved

But I swear I heard you speak

Girl you had me in his arm

What the hell you do to me

Oh[Chorus]

I never been in a position like this

Come and make it quick down

How you shaking them hips

Let me stop

Get my shit together cause the night she'll get

You get Attention

I tried to get back

No champagne tonight will do seems right

Attention

From here to the bedroom

All night long

Girl I'm focused youKnow it's getting late

Baby girl I'm on my way

I know you're down for whatever

So I wont procrastinate

If you're ready to go

Baby let me take control

Cause everything about your

Body is 'bout to make me explode[Chorus]Attention

I tried to get back

No champagne tonight will do seems right

From here to the bedroom

All night long

Girl I'm focused on youConversation on the phone

Rubbing on the bone

Hugging me kissing me

Loving me at home

And loving you was right

And I don't wanna a be wrong
I guess me and you can get it on
I met you on a set
Set you on a jet (jet)
Set complected
Partially directed
Recently elected
Verbally respected
Two coups of ice cream
Baby girl licked it
Liked it
Loved it
Face no more to party
Who's comes the serviette
Rubba dub dub
D O double Jeezy
Make your head dizzy
Baby girl get busy with me
Brandy Hexlaw Candy Sexlaw
Do it all night
Push weed and I like so
Rub your back slow
You broke my neck slow
Tonight is the night
Yeah you know how that goAttention
I tried to get back
No champagne tonight will do seems right
Attention
From here to the bedroom
All night long
Girl I'm focused youAttention
